

Keep Your Refrigerant Under Control!

NOVENT®

PATENT NO. 6,612,455

LOCKING REFRIGERANT CAPS prevent leakage and deter theft

NOVENT® Caps fit the standard “Schraeder” service valve on all central AC units and Minisplits, and provide an innovative way to prevent access by unauthorized persons. Patented NOVENT® Caps are precision machined from high grade brass surrounded by a protective aluminum shroud and can only be fitted and removed with a special tool.

NOVENT® Caps:

- **Seal service valve to prevent leaks**
- Prevent excessive energy usage due to refrigerant loss
- **Help prevent illegal venting of refrigerant**
- Support every EPA management program
- **Help prevent accidental mixing of refrigerant**
- Deter refrigerant theft at unsecured sites
- **Help prevent access by unauthorized persons**
- Help prevent loss from cylinders and recovery tanks
- **Reduce potential liability for inhalation induced injury or death**

Additional Features:

- Corrosion resistant.
- Integral neoprene O-ring resists all oils.
- R22 & R410 caps are color coded & embossed for easy ID of refrigerant gas. Silver caps include adhesive labels for commonly used refrigerants.
- Integral torque limiter prevents overtightening
- Easy to ID pocket tools or screwdriver tools fit all 3 cap types.
- Resist crushing and removal without key.
- Yellow warning label for AC unit is included.

Keep Your Refrigerant Under Control!

WARRANTY

Novent disclaims all implied and express warranties, including the implied warranty of merchantability and the implied warranty of fitness for a particular purpose except as follows:

Novent Tamper-Resistant Refrigerant Caps are unconditionally warranted to be free from defects in material and workmanship under normal use for a period of three (3) years from date of purchase, providing they are installed and operated strictly in accordance with manufacturer's installation instructions.

If the product is found to be defective or otherwise fails in normal use, it may be returned for replacement. All freight charges for the return of the product shall be borne by the purchaser. The manufacturer will pay outgoing freight charges for the replacement product.

Defective products returned to Novent prepaid will be repaired or replaced free of charge. Replacement product will, to the extent such product is then available in manufacturer's inventory, be of similar type, color and kind. Manufacturer retains the right to substitute product if replacement product does not conform in terms of color, type and specifications to the original product if no longer available.

This warranty does not cover replacement labor of any cost, claim or incident to any defect nor does it cover any consequential damages. The sole liability of the manufacturer under this warranty is limited to the replacement of defective product. Product damaged by improper use, accident, neglect, alteration, abuse or improper installation is excluded from this warranty.
